K2C is an ambitious community partnership to help landholders identify, enhance and extend isolated woodlands and grasslands on a landscape scale.

K2C and its many partner groups (listed below) can offer bucket loads of information and incentive options to enhance land management on your property.

Find out through talks, walks, demonstrations and tours on the day what K2C is all about and the terrific benefits of maintaining native pasture in grazing regimes. Learn about the many animal and plant species that rely on grasslands and woodlands.

Enjoy a local Fire Service sausage sizzle, real coffee, cakes and tea.

Gold coin entry to support local Landcare groups.

Bring your boots, hat, sunscreen and your best smile.

The awesome lucky gate prize is an Aquila Helicopter Flight to give an eagle eye view of the K2C landscape. Joy rides are also available.

Reply for catering purposes and further information to facilitator@k2c.org.au or ring 6454 4388 or check out www.k2c.org.au for the program of the day.
